

How to Share Your Outlook 2000 Address Book with Outlook Express 5.x

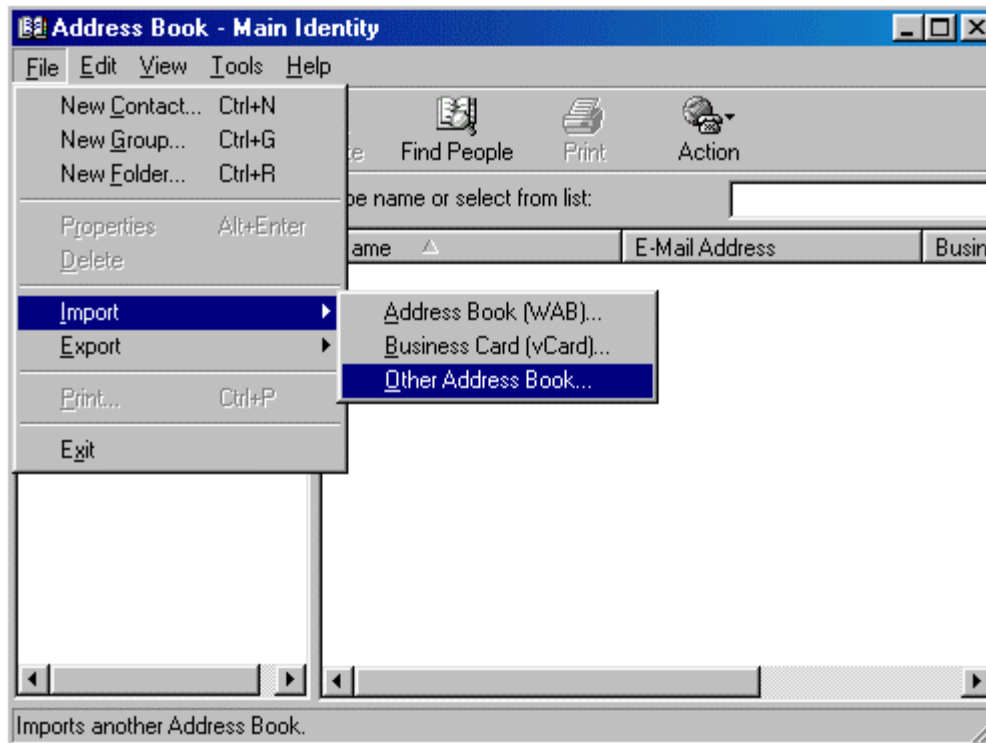

1. Double-click the **Outlook Express** icon.

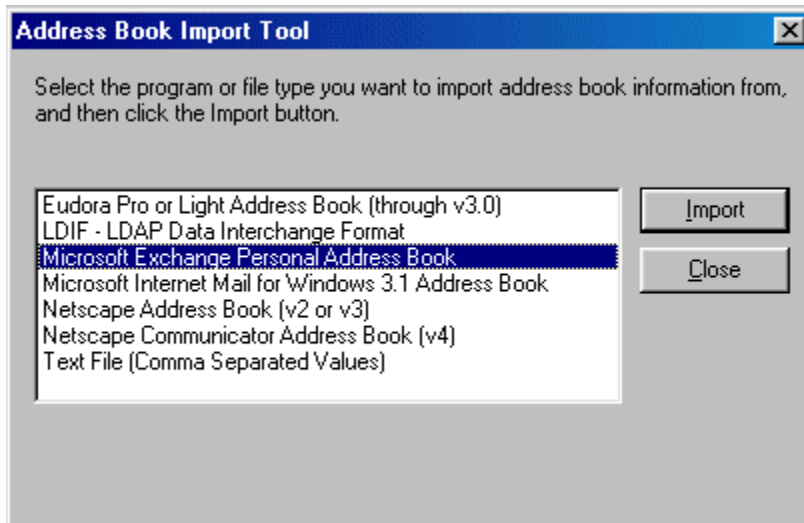

2. From the **Tools** menu, choose **Address Book...**

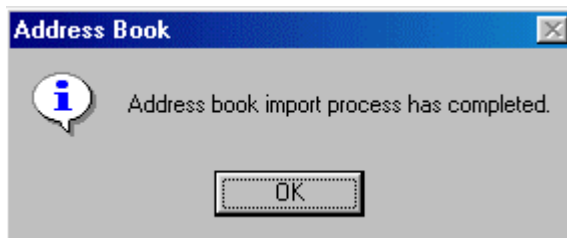

3. From the **File** menu, click **Import**, and choose **Other Address Book...**

4. Select **Microsoft Exchange Personal Address Book** in the list.
5. Click the **Import** button.

6. Click the **OK** button.

You have successfully imported your Microsoft Outlook 2000 address book into Outlook Express.
